

February 2026

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community but have not been fully vetted by PAU.

Livermore, CA

Employer: [Joe Zummo](#) & [Alison Zummo](#)

Posting: Pre-licensed LMFT Associates

Introduction: Joe Zummon and Alison Zummo are LMFT and LCSW, respectively, in CA, and are opening positions in their private practice for programs seeking high-quality supervision for their master's students. Joe Zummo has experience in individual therapy, trauma-informed care, couples, family systems, and relational therapy. Alison Zummo in individual therapy, trauma-informed care, and community mental health. They offer Individual and group supervision tailored to ASW, AMFT, and APCC licensure. Supervision that integrates evidence-based practice, relational and systemic perspectives, ethical decision-making, and culturally responsive care. Flexible scheduling and modes of supervision (in-person and telehealth), with thorough documentation to meet board standards. A collaborative strengths-based mentoring approach to support clinical skill development, case conceptualization, assessment, treatment planning, and professional identity formation. For more information, contact: joezummomft@gmail.com and alisonzummo@gmail.com

Los Angeles County, CA

Employer: Center for Post-concussion Syndrome and PTSD Treatment (CPPT)

Posting: Clinical Psychologist

Introduction: CPPT is a highly respected 100% on-site outpatient program specializing in the assessment and treatment of adolescents and adults with traumatic brain injury (TBI), PTSD, chronic pain, mood and anxiety disorders, adjustment disorders, and other complex neuropsychiatric conditions. The practice partners with exceptional referral sources—including the military, major law firms, and elite sports organizations (NFL, NBA)—to offer a uniquely stimulating, high-caliber clinical environment. Qualifications require a PhD or PsyD from an APA-accredited program and eligibility for Clinical Psychology licensure in California. Experience or Interest in treating patients with TBI, PTSD, chronic pain, or medically complex presentations is preferable. Ability to work effectively with diverse populations. Spanish fluency preferred but not required. Send applications to mrizi@medstaffer.com

Wilmington, NC

Employer: [University of North Carolina Wilmington Counseling Center](#)

Posting: [Staff Psychologist](#)

Introduction: The Staff Psychologist provides appropriate counseling or referral services for students, with a focus on student health and well-being. Delivery of proactive, psycho-education programming initiatives as needed. Participates in the after-hours and on-call rotation. Provides general and clinical supervision services. Develops and maintains strong relationships with campus colleagues to provide services that meet the assessed needs of the campus. Provides consultation and training services to the campus community on students' social and emotional needs. Provides administrative duties as requested or assigned. Minimum requirements include a doctoral degree in counseling or clinical psychology, experience providing clinical counseling services, crisis services, and psychoeducation to college-aged population. Current licensure/certification or eligibility for appropriate licensure/certification in the State of North Carolina. Once licensed, NC licensure must be maintained to remain eligible for employment.

Blacksburg, VA

Employer: [Virginia Tech](#)

Posting: [Associate Director for Triage and Crisis Services](#)

Introduction: We're currently searching for an Associate Director for Triage and Crisis Services to join our Cook Counseling Center team. Functions include promoting student learning, development, retention, and holistic well-being by providing resources to improve mental health and identify psychological barriers to academic success. The Associate Director is responsible for coordinating triage and crisis services for the center, striving to maximize efficiency in the provision of crisis services, providing administrative supervision of Cook Connect Staff, and clinical supervision of unlicensed staff. Establish and administer the policies and protocols guiding the CC's relationship with a telehealth provider and serve as the primary liaison to this company. Requirements include a Doctorate or a master's in clinical or counseling psychology, counseling education, or social work. Professional Licensure in the Commonwealth of Virginia. Ability to manage complex crises and/or clinical situations and to provide related supervision, training, and consultation to a large multidisciplinary staff and faculty. Multicultural dedication and ability to serve diverse populations. Strong written and oral communication. Demonstrated leadership experience.
