

September 2025

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community but have not been fully vetted by PAU.

Oakland, CA

Employer: [Alchemy Community Therapy Center](#)

Posting: [Associateship Training](#)

Introduction: We are now accepting applicants for our 2-year associate therapist program. This is a paid employment opportunity for those who live in the Bay Area and are gathering post-graduate hours towards licensure in Counselling. We'll begin administrative onboarding for our next cohort in November

Oakland, CA

Employer: [Alchemy Community Therapy Center](#)

Posting: [Online Ketamine-Assisted Therapy CE Training](#)

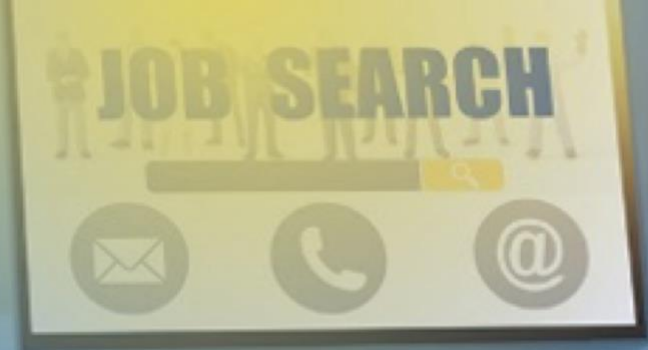

Introduction: Alchemy's 7-week ketamine therapy training course, is for those who are hoping to delve into this modality but can't commit to a 2-year employment. It's online, so you can attend from anywhere or watch the recordings after. Students within a year of completing their graduate program are welcome to join, as well as recent graduates, pre-licensed providers on their way to gathering hours, and licensed providers. All proceeds go to supporting our nonprofit mission of providing equitable psychedelic therapy. Our training is grounded in a harm reduction, social justice, and depth psychotherapy framework. Enrollment is now open.

Nationwide

Employer: [American Psychological Association \(Division 40\)](#)

Posting: [Society for Clinical Neuropsychology Members \(Professional and Student/trainee candidates\)](#)

Introduction: The Professional Development Committee will produce educational trainings and continuing education workshops, as well as provide ethics consultations and leadership development. Committee members will meet up to monthly by video/phone and will have periodic email communication. Professional members serve a 3-year term (with one possible renewal). Student/postdoc members serve a 2-year term. Applications are due by September 30, 2025. Please email your CV and brief cover letter, including a description of your interests in professional development, and any past service and leadership experience, to scn40pdc@gmail.com

Minneapolis, MN

Employer: [Hennepin County Medical Center](#)

Posting: [Pediatric/Lifespan Neuropsychologist](#)

Introduction: We are seeking a full-time clinical Neuropsychologist with pediatric or lifespan training to join our Psychiatry Department to provide evaluation and treatment of patients with a variety of neurological, medical, developmental, and psychiatric disorders. The position will support our outpatient Neuropsychology Clinic as well as the inpatient Neuropsychology consultation service. The successful applicant will join 6 neuropsychologist colleagues, supported by a team of experienced psychometrists. Minimum qualifications include having a Clinical Psychology PhD with 2-year postdoctoral fellowship (training in the specialization area in pediatrics or lifespan), Licensed Psychologist (or eligible) in the state of Minnesota.

New York, NY

Employer: [Mount Sinai Hospital](#)

Posting: [Full-Time Clinical Neuropsychologist](#)

Introduction: We are seeking a Neuropsychologist to join our Multiple Sclerosis Center. Candidates should have completed a two-year postdoctoral fellowship in neuropsychology; entry-level applicants are encouraged to apply. The position includes an appointment as Assistant Professor in the Department of Neurology, with opportunities for future promotion. To apply, please visit <https://careers.mountsinai.org/jobs/3030425?lang=en-us> or contact Dr. Sarah Levy at sarah.levy@mssm.edu.

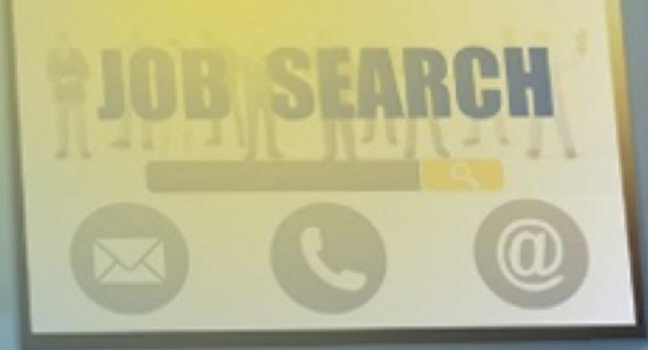

Washington, DC

Employer: [DC Metro Neurology Practice](#)

Posting: [Private Practice Adult Neuropsychologist](#)

Introduction: As part of a well-established and long-standing independent neurology practice in the Washington, DC Metro area, we are currently seeking a skilled Adult Neuropsychologist to join its dynamic, multidisciplinary team. The neuropsychology division currently includes four neuropsychologists, with a full staff of neurologists and subspecialists across seven clinic locations. The group provides comprehensive neurodiagnostic services, neuropsychology, and a fully accredited sleep lab. Core responsibilities include evaluating patients' neurocognitive, behavioral, and emotional functioning to aid diagnosis and treatment planning. Referrals come from in-house neurologists and the broader community in a team-collaborative fashion. If interested, please email your CV to: Mika Razi at mrazi@medstaffer.com Cell: 571-355-5221.

2025 CAREERS DIGEST

Bay Area, CA

Employer: [BeTogether Therapy](#)

Posting: [Psychotherapist Position](#)

Introduction: We are a boutique psychotherapy practice serving high-achieving individuals, couples, and families in the Bay Area virtually. Our clients seek depth, authenticity, and transformation—not quick fixes. We are expanding our team and inviting a seasoned clinician who thrives in relational, trauma-informed, and experiential work to join us. We are looking for a skilled EMDR Therapist and Emotionally Focused Couple's Therapist. We are hiring now for a January 2026 beginning. For more information contact Nicole Ohebshalom at nicole@nicoleohebshalom.com
